Ethanol availability at refueling  
locations is subject to change.

In the event that ethanol blends  
are not available, regular  
gasoline may be used in  
Flexible Fuel Vehicles.

Updated 2/1/12.

Turning American corn into  
America's energy.

It's renewable, efficient,  
abundant and safe.

And it creates American jobs.  
Corn farmers feed the world;  
they can fuel it, too.

**Ethanol. Now is the time.**
